

FRIENDSHIP SHELTER FALL PARTY

GOOD VIBES. GOOD FRIENDS. GOOD WORK.

August 2024

Friends,

We're thrilled to announce the first-of-its-kind Fall Party to benefit Friendship Shelter on Thursday, October 24 at the Laguna Cliffs Marriott in Dana Point. This will be an opportunity to join old and new friends for an evening of great food, refreshing cocktails and mocktails, and a good old fashioned dance party.

We first became involved with Friendship Shelter more than 10 years ago because of the organization's reputation and commitment to effectively ending homelessness. Today, Friendship Shelter is singularly focused on finding the most appropriate permanent housing solution for each person who walks through their doors. The results speak for themselves - they work with about 100 people each year to move out of homelessness, off the street or out of shelter, and into permanent housing and 97% of Friendship Shelter's clients stay in that housing year after year.

What makes Friendship Shelter so special is their ability to create connection. Not only does their team of professionals help individuals experiencing homelessness move into permanent housing, but they create relationships built on trust to work with each tenant in their housing program indefinitely. Their goal is twofold: to end homelessness through permanent housing solutions, and to ensure that each client has the tools, resources - and connection - to remain safe and stable in their home for good.

The idea for this event came out of our desire to celebrate the incredible work being done here in South Orange County. We encourage you to not only join us, but to help strengthen our community by inviting new friends, reengaging old friends, committing to raising critical funds to end homelessness for even more people...and have a great time doing it!

Let's build on this connection, keep the good vibes coming, and get to work to support Friendship Shelter's vision of permanently ending homelessness in our community, one person at a time.

We hope you'll review the enclosed materials, consider a sponsorship of the Fall Party, and join us to learn more about the good work being done in our community. Our shared commitment to ending homelessness for our most vulnerable neighbors is what fuels Friendship Shelter's ability to meet the changing needs of our community.

We look forward to getting together this fall for an evening to remember!

Sincerely,

Ann Gamerl
