EXPLORING THE CONNECTION BETWEEN HEALTHCARE & HOUSING

Christy Ward, Panelist

Christy Ward is the Chief Executive Officer of Share Ourselves, a Federally Qualified Health Center organization operating 8 clinic locations across Orange County California. She joined Share Ourselves in September 2019 after serving as the Chief

Executive Officer of One Community Health in Sacramento and prior to that was the Chief Operating Officer for the Multnomah County Health Department in Portland, Oregon, where Christy grew up. She also served in previous leadership positions at Kaiser Permanente in Oregon and at Oregon Health and Science University, where she began working as a nurse and moved into progressive leadership positions.

Christy earned her Master's degree in Communication and Organizational Leadership at Gonzaga University and her Bachelor's degree in Health Care Administration. She is a licensed vocational nurse and is a current board member of the California Primary Care Association, a member of the Provider Advisory Council for CalOptima, and a member of the OCHIN CEO Steering Committee.
