

"I've worked with social service agencies and property owners for several years now. The landlords are guaranteed on-time rental payments. And seeing the joy and stability that housing brings to the men and women I work with is truly meaningful. "

SUSAN DE MARI
REAL ESTATE AGENT

WHY FRIENDSHIP SHELTER?

We are a trusted, 30 year old nonprofit organization focused on ending homelessness through housing. To date, we have worked with more than 10,000 men and women to end their homelessness.

WHO WE ARE

Friendship Shelter is a trusted, 30 year old Laguna Beach-based nonprofit organization whose vision is to end homelessness in south Orange County, one person at a time. To that end, our Bridge Housing program provides temporary shelter for vulnerable homeless adults along with the supportive services needed to source and secure housing.

VOUCHERS

Our experienced, trained staff works with men and women who have obtained a housing voucher from the County of Orange. The process is simple: we assist each client in finding an appropriate housing option, we pay the deposit and move-in costs, and we remain a resource for the duration of the client's tenancy. Additionally, wellness checks are conducted by the County monthly or as needed, and include in-home visits.

BENEFITS TO LANDLORDS

Friendship Shelter has a relationship with all prospective tenants and will remain a resource for the duration of the tenancy. We have a record of being an excellent neighbor and contribute to thriving communities. And, because the rental payment comes from the County of Orange, you can be assured payments will be made on time. Friendship Shelter will pay the deposit and any associated move-in costs to the property owner directly.
